## 15 years & we're back!

This week marked a highlight in our winter sports season when the 1<sup>st</sup> Team Hockey boys were promoted to the A-Section of the Aitken tournament; an achievement that was last seen 15 years ago.

The boys won a silver medal in the B-Section this week when they beat CBC Boksburg 5-0 during the Aitken playoffs. This result means that both the junior boys and the senior boys will compete in the Hockey A-League; a long-awaited and hard-fought achievement.

As the winter sports season draws to a close and we prepare for Term 2 exams, we thank our coaches, team managers and players for their hard work and

long hours of training and commitment to their sporting discipline. We also thank the ECT teams, parents and supporters for their involvement. There have been wins, defeats, draws, frustrations, celebrations and plenty of good Rand Park spirit.

Sports have traditionally been viewed as a way to stay healthy and fit, but it goes beyond that. School-based sports are essential for learners' overall growth and development. Playing sport helps to teach life-skills, teamwork, accountability, communication, patience and self-confidence.

Well done to our Hockey boys!
