

## METHOD OF PAYMENT: 2024 SCHOOL FEES

Rand Park High School is a Section 21 Independent State School and therefore relies on parents paying fees as our main source of income. Public School fees are a statutory duty in terms of the South African Schools Act No. 84 of 1996. The cost of your child's education is the best investment you can make.

The school fees for 2024 approved at the AGM held on 1 November 2023 shall be: **R53,500 per existing learning and R55,000 per new learner.**

- School fees are due and payable annually in advance at the beginning of each school year and such payment is compulsory unless an exemption has been granted.
- However, purely in order to reduce the financial burden on parents, **TEN EQUAL** instalments commencing **January 2024** and ending **October 2024** will be acceptable. Any other payment arrangements must be approved, in writing, by the Finance Committee.
- Failure to pay **any single instalment** by the due date will mean that the **FULL** 2024 School Fee amount becomes due and payable **immediately**.
- The **first instalment paid** at the time of registration or any payment made **during the 2023 academic year** towards the 2024 School Fees **does not replace the January instalment. A further 10 equal instalments (January to October) are still payable.**
