A promotional graphic for tutoring services. The background is a deep blue with a subtle pattern of mathematical symbols like pi, infinity, and numbers. At the top, the word "Tutoring" is written in a large, elegant, golden cursive font. Below it, a golden banner contains the text "Grade 8 – 12 • IEB • IB • Cambridge • CAPS". Underneath the banner, the subjects "Mathematics • Mathematical Literacy • Geography" are listed in a white, bold, sans-serif font. In the center, a golden oval frame contains the text "From R180 per hour". Below this, another golden banner displays the phone number "Call: 065 640 4442". The bottom of the graphic features a realistic illustration of a wooden desk with various school supplies: a calculator, an open notebook with diagrams, a pencil, a compass, and a small globe. The overall design is professional and educational.

Meet Mandy

I am a proud single mom of two incredible children, now all grown up. Watching them grow into capable, driven young adults is one of my greatest achievements.

With a degree in Marketing and many years in the corporate world, I chose to enter the real estate industry twelve years ago to create the flexibility I needed while providing for my children. What began as a practical decision quickly grew into a lifelong passion.

Real estate, for me, is about far more than property - it's about people and possibility. I especially love guiding first-time buyers through the process of purchasing their new home, helping them navigate every step with confidence as they reach true independence. Being part of making my clients' dreams come true is what drives me every day.

I thrive on building lasting relationships and there is nothing more rewarding than seeing the joy and happiness on my clients' faces at the successful conclusion of a transaction. I believe in honesty, transparency and always working with my clients' best interests at the forefront of everything I do.

As a local resident, I am deeply invested in the communities I serve, actively supporting charities, volunteering initiatives and school sponsorships. I am more than just an agent - I am part of the community and I'm proud to be your local property expert.

Why Choose Me?

- Local Area Specialist**
In-depth knowledge of **Randpark Ridge, Bromhof, Boskruin, Northwold, Sundowner** and surrounding **Randburg** suburbs, ensuring accurate pricing and targeted buyer reach.
- Backed by Excellence**
Meridian Realty is a multi-award-winning company recognised at the **International Property Awards**, delivering world-class standards and credibility.
- Strategic Marketing Approach**
A tailored marketing strategy designed to position your property competitively and attract qualified buyers.
- Professional Visual Presentation**
High-quality professional photography and videography to showcase your home at its absolute best and maximise buyer interest.
- Client-Focused Commitment**
Dedicated to working alongside you to secure the best possible price, in the shortest time, with the least inconvenience - ensuring a seamless, results-driven experience from start to finish.
