---	---

7. TERMS AND CONDITIONS

Scope of award: The scholarship is credited to the learner's school fee account and applies to academic tuition fees only. The enrolment initial payment, uniforms, books, study requirements, tours, stationery, sports kit/equipment and other school-related expenses are excluded.

Eligibility: Rand Park High School grants a select few scholarships to exceptional learners, displaying academic and leadership promise together with excellent abilities in their sport/cultural activities. Academic achievement must exceed an average of 75%. The learner must be an A-team or 1st Team player in his/her school sport or an active participant in his/her school's cultural activities. The applicant must be appointed as a Leader/Prefect/Councillor at his/her school.

Admission: Any award is conditional upon successful placement at Rand Park High School by the Gauteng Department of Education (GDE) and parents/guardians remain responsible for completing the required GDE admission application.

Selection and acceptance: Shortlisted applicants and their parents/guardians may be invited to an interview. Successful applicants will be notified in writing and must accept the offer in writing within the specified timeframe, failing which the scholarship may be offered to another candidate.

Duration and re-award: A scholarship is awarded for one academic year only. A re-award for the following year is not automatic and requires submission of the School's Re-award Motivation Form by the applicable closing date. Scholarships are reviewed annually to ensure continued eligibility. Re-award is contingent upon the recipient's active participation in the life of the school and adherence to all school rules and policies.

Ongoing requirements: The learner must satisfy the School's extramural participation requirements, attend progress reviews with the Dean of the Grade when requested, comply with the School's Code of Conduct, and pass the academic year. Circumstances beyond the learner's control that prevent school sport/cultural activity participation will be taken into account.

Reduction or withdrawal: The School may reduce or revoke the scholarship if the learner does not meet the ongoing requirements. The scholarship will be revoked if the learner is de-registered from Rand Park High School during the academic year.

Early departure: If the learner leaves Rand Park High School during the first three school terms of the academic year, the scholarship amount will be charged back to the learner's school fee account and the parents/guardians will be liable for the resulting amount owing.

Allocation of award: The school reserves the right not to award any advertised scholarships.

8. DECLARATION

We confirm that the information provided is true and accurate and that we have read, understood and accept the Oriole Scholarship terms and conditions above.
