Important information:

a) School fees will include all relevant learning area information and core notes, educational trips where specified as a compulsory element of the specific learning area and transport for learners who are selected to represent Rand Park High School for the extra-curricular programme.

b) Please note: textbooks, stationery, tours, excursions, plays or festivals offered by the school outside of the compulsory excursions as stipulated by the curriculum, school uniform, sports equipment and sports uniform, and participation or entry for Olympiads, Eisteddfods, JSE Games and the like will, however, NOT BE INCLUDED.

c) School fees are due and payable annually in advance at the beginning of each school year. Payment of these fees is a statutory duty that a learner's parents must fulfil. The parents (as defined in the South African Schools Act), whether married, unmarried, or divorced, are jointly and severally liable for the fees unless, and to the extent that, they have been granted an exemption.

d) However, purely in order to reduce the financial burden on parents, TEN EQUAL instalments commencing January 2027 and ending October 2027 will be acceptable. The Finance Committee must approve any other payment arrangements, in writing.

e) Failure to pay any single instalment, by the due date, will mean that the full remaining 2027 school fee amount becomes due and payable immediately.

f) Parents who wish to apply for financial assistance, more specifically, a partial exemption from the payment of school fees *must apply annually* to the SGB.

g) The income of both parents *irrespective* of their *marital situation* is used in the calculation of financial assistance (exemption).

h) The SGB reserves the right to ask for any supporting documentation that may be deemed necessary to assess the exemption application.

i) Exemption application forms must be collected from the School's Finance Department by 30 January 2027 and returned, fully completed, within 14 days of collection.

j) A maintenance agreement or divorce order *cannot* be enforced on a third party being the School.

k) School fees constitute a statutory debt as prescribed by Parliament in terms of the South African Schools Act. They do not fall within the ambit of the National Credit Act 34 of 2005 and, as such, may not be referred to a debt counsellor for debt review.

When transferring school fees directly into the School's bank account, **please use the reference number as it appears on the bottom left hand corner of the school fee statement** followed by the learner's name and surname as the beneficiary reference.
